Dear Mr. Sowell,

On behalf of the Council of Supplier Diversity Professionals, we want to take this opportunity to thank you for sharing your insight on *"Legal Initiatives Creating Business Opportunities for Supplier Diversity"* with CSDP.

The presentation was outstanding and exceeded our expectations. You not only provided in-depth knowledge on new legislative programs for business financing (L3C, PRI, etc.), but included specific examples on the impact these initiatives will have to the business community. It was certainly thought provoking and the feedback from our colleagues was very positive, both in the value of the discussions and information received.

Thank you for your time and support, we appreciate your investment to our professional growth and development.

Respectfully yours,

Brenda Marshall
